

# A Teaching Plan for DLI <sup>3</sup>

## Week at a glance: one possibility

**First Friday**  
(30 min.)

\*Use direct whole-class instruction in the form of a mini-lesson to introduce the focus skill for the upcoming week.

*For Week 1, the focus skill is using a capital letter to start a sentence and an end mark to end it. Refer to the Mini-Lesson section for strategies, songs, and activities for your lesson.*

**Monday/Day One**  
(5-10 min.)

\*Students complete the Day One practice task to follow up on your mini-lesson.

\*Students and teacher discuss the guided practice items using a document camera or interactive whiteboard.

*For teachers with interactive whiteboards, a DLI for Smartboards™ CD is available that correlates with the print edition and includes all Day One-Day Four student practice items. It is an optional support for teachers with SMART or Promethean boards, their competitors, or LCD projectors.*

**Tuesday/Day Two-  
Thursday/Day Four**  
(5-10 min.)

\*Students complete the daily practice tasks and the teacher directs the follow-up discussion.

**Friday/Day Five**  
(10-15 min.)

\*Students complete the Day Five Assessment.

+ (30 min.)

\*Mini-Lesson-Use direct whole-class instruction to introduce the focus skill for the upcoming week. Choose a short activity as a complement for your lesson, if desired.

## Weekly time suggested for DLI:

Monday-Thursday

5-10 minutes- students complete the daily task + discussion

Friday

40-45 minutes- weekly assessment + mini-lesson to introduce next week's skill
